

## Limited Structural Integrity Warranty

The Master's Craft (TMC) warrants its products, in their original manufactured condition, to be free from defects in lamination, assembly, milling and dimension. TMC products will remain free from these structural defects for life provided they are installed in accordance with our installation guidelines and are maintained in a controlled environment as outlined in our installation guidelines. This warranty is extended to the original purchaser of the goods and is not transferable.

## Limited Finish Warranty

TMC hereby warrants to the Buyer that the factory applied finish of the Tradewinds Wood Floor will not wear through or lose adhesion to the bare wood as a result of normal use for the duration of the warranty period, as stated for the product at the time of purchase (20 year, 25 year, etc). Diminished gloss, scratches, and dents is not considered wear through of the finish. In the event the finish wears through or releases from the Tradewinds Brand Wood Floor, TMC will, at its option, repair or replace the affected planks or area. The warranty applies to defects in excess of 10% of the total square foot purchased.

## Finish Warranties

### Urethane Finished Products

**Tradewinds Flooring: Durango** - 25 year residential, 3 year light commercial warranty

**Tradewinds Flooring: Lake Tahoe** - 25 year residential, no commercial warranty

**Tradewinds Flooring: Exotic Hardwood Collection** - 25 year residential, no commercial warranty

**Tradewinds Flooring: Helmsman** - 20 year residential, no commercial warranty

## Commercial Application Warranty

TMC products installed in light commercial applications, and that are listed above in the "Finish Warranties" section with a light commercial warranty will be afforded a 3 year warranty on both structural integrity and finish provided the floor is cared for in a proper way and is not subject to water leaks, floods or maintenance procedures that utilize wet or damp mopping procedures. Water leaks, floods and improper maintenance will void all commercial warranties. Commercial applications must also be regulated to ensure acceptable jobsite conditions of 35-55% RH and 68-72 degrees from date of installation onward. At its discretion, TMC will require a Fidbox® data logging system to be placed on certain projects and our warranty reparations will be dependent on the return of the data from the Fidbox® logging system.

Light commercial is defined as any installation not in a dwelling where the flooring will be subject to similar daily foot traffic as in a home. Light commercial installations will not be subject to heavy commercial objects (like retail racks) or machinery (like auto-scrubbers) placed on or dragged across the floor. Examples of light commercial applications are doctor's offices, business conference rooms, etc. Heavy traffic locations such as restaurants are not considered light commercial applications and would not be covered by this warranty. The same exclusions pertaining to the residential warranty apply to the light commercial warranty.

## Radiant Heat Applications

This warranty does not cover radiant heat applications. For information about our warranty as it relates to radiant heat applications please contact TMC.

## Seasonal Changes

Wood is a hygroscopic material and will expand and contract with changing moisture conditions (seasons). Some minor separation between boards might occur during seasonal change. This is not considered a defect and is not covered by this warranty.

## Warranty Exclusions

TMC warranties do not cover structural damage that results from products installed or maintained in environments with relative humidity outside the range of 35-55%. Extreme moisture conditions, specifically dry environments, can damage the structural integrity of the flooring. Carefully read our Installation Guidelines for a complete list of Acceptable Jobsite Conditions.

TMC warranties do not cover indentations, scratches, defects or damages caused by the failure to follow all of the manufacturer's installation procedures. Responsibility for inspection and approval of wood floors falls to the consumer and installer prior to permanent installation. The installer is the final inspector of the product. TMC is not responsible for labor costs associated with the repair or replacement of visually defective planks after the floor is installed. In addition, prior to installation the installer should make certain that the subfloor is properly inspected for flatness and moisture conditions according to the NWFA guidelines.

TMC warranties do not cover normal wear and tear, indentations, scratches, defects or damages caused by improper maintenance, insufficient protection, misuse or improper alterations of the original manufactured product.

TMC warranties do not cover damages caused by the use of oil soaps, liquid or paste wax products or other household cleaners that are not recommended maintenance products.

TMC warranties exclude non-factory applied finishing including, but not limited to refinishing.

TMC warranties do not cover indentations, scratches, defects or damages caused by negligence or abuse including, but not limited to water, insects, pets, spiked or damaged heel shoes, vacuums, furniture, appliances, casters, falling or dropped objects or construction traffic, or failure to take proper precautions to protect furniture legs and feet with protective pads and properly functioning casters or improper protection during the construction process when moving heavy objects, or during times of heavy traffic.

TMC warranties do not cover defects and damages caused by man made or natural disasters including but not limited to, leaking or broken plumbing, fire, flood, earthquake or standing water during or after construction.

TMC warranties do not cover splits, checks or cracks in flooring discovered after installation.

No warranties apply to any product or products designated as off-goods or goods sold "as is".

TMC limited structural integrity warranty does not apply to product subjected to environments that fall outside of 35% - 55% interior relative humidity.

TMC warranties do not cover squeaking, creaking or popping in flooring.

## No Other Warranties

This limited warranty is the only warranty given by The Master's Craft as pertaining to the Limited Structural Integrity Warranty, Limited Finish Warranty, and Commercial Application Warranty, and no other warranties of any kind have been made with respect to The Master's Craft or Tradewinds products. No oral agreement or statement from The Master's Craft, or any of its representatives may alter or amend this warranty. **NO WARRANTY OF FITNESS EXISTS BEYOND THE GENERAL WRITTEN DESCRIPTION OF THE PRODUCT PURCHASED.**

Some laws do not allow limitations on certain implied warranties. This warranty gives specific legal rights, and there may be other rights which vary from state to state.

## IMPORTANT

**YOU AND YOUR INSTALLER ARE RESPONSIBLE TO INSPECT FLOORING PRIOR TO INSTALLATION. WE ACCEPT NO RESPONSIBILITY FOR LIABILITIES, CLAIMS OR EXPENSES, INCLUDING LABOR COSTS, WHERE FLOORING WITH VISIBLE OR MEASURABLE DEFECTS HAS BEEN INSTALLED.**

## How to Make a Claim

In the unlikely event that any portion of your floor should fail, with respect to any of the provision of this warranty, The Master's Craft, at its sole discretion, to the original purchaser, will repair, refinish or replace such portion with the same product or another product of equal value at no cost to you. This provision does not include labor costs, relocation or living expenses, removal or installation of new flooring or the removal or replacement of cabinets, furniture and other fixtures.

To file a claim, the original purchaser must initiate a claim request by filling out our on-line form at: **[www.themasterscraft.com/claims](http://www.themasterscraft.com/claims)**. Claims must also be filed within the warranty coverage period and information verifying the date of purchase will be requested. TMC reserves the right to have a designated representative inspect the floors and remove samples for technical analysis.

This writing is the complete and exclusive statement of the warranty, and is in lieu of all other express and/or statutory warranties. TMC assumes no liability for incidental or consequential damages. However, some states do not allow this exclusion and may not apply in all cases. This warranty gives you specific legal rights that may vary from state to state.
